# Kansas Forest Service 25th Annual Fall Forestry Field Day

Geyer Forestry Research Center  
Manhattan, Kansas

October 9, 2019

## Fall Forestry Field Day - October 9, 2019

Geyer Forestry Research Center, Manhattan, Kansas

The 25th Annual Fall Forestry Field Day will be October 9, 2019, featuring forestry work on the Kansas State University Geyer Forestry Research Center and Pottawatomie State Fishing Lake No. 2 managed by the Kansas Department of Wildlife, Parks and Tourism.

Field Day attendees will tour the Kansas State University forestry research projects including the black walnut provenance study and bur oak regional provenance study.

Forestry management and landscape scale forestry projects will be reviewed at Pottawatomie State Fishing Lake No. 2.

Additional presentations for the day will include a sawmill demonstration, wildlife management, discussions about the use of prescribed fire in woodlands, invasive plants and pests, and more.

Register online at  
[fallfieldday19.eventbrite.com](http://fallfieldday19.eventbrite.com)

### DIRECTIONS:

6625 Dyer Rd., Manhattan, KS 66502  
Parking for the morning field site will be at The Little Grill located north of Manhattan on Dyer Road. Shuttles will be available from the parking area to the field site. Look for signs at Hwy 24 and Barnes Road.

### Rain Out Location

In the event of rain, presentations will be moved indoors at the Manhattan Fire Department located at 2000 Denison Ave. in Manhattan.

# Fall Forestry Field Day - October 9, 2019

Asian bush honeysuckle is one invasive plant damaging Kansas landscapes.

Prescribed fire is one valuable tool in managing Kansas woodlands.

Visit the biochar demonstration to learn about carbon management and forestry.
